Startup

- **Embarked on a water service business venture in my hometown, successfully operating for two years from 2018 to 2020. Despite initial challenges, the business turned profitable after eight months of dedicated effort. This entrepreneurial journey taught valuable lessons, emphasizing the wisdom of starting with a modest investment and strategically infusing additional funds as growth opportunities emerged.**

Achievements and Participations

- Champion in martial arts
- Participated in Treasure Hunt (Reva University)
- Entrepreneur Event Core committee (ISBR College)
- Volunteer in Free medical check for Health Issue (Mithra Hospital)
